

All I Want For Christmas Is You"
[Originally by Mariah Carey]

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents underneath the Christmas tree

I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is you

I don't want a lot for Christmas there is just one thing I need
And I don't care about the presents underneath the Christmas tree

I don't need to hang my stocking way above the fireplace
Santa Clause won't make me happy with a toy on Christmas day

And I just want you for my own
More than you could ever know
Make my wish come true
Oh baby all I want for Christmas is you, you baby

I won't ask for much this Christmas
I won't even wish oh I won't even wish. I won't even wish for snow.

I'm just gonna keep on waiting underneath the mistletoe
I won't make a list and send it to the North Pole for St Nick
Won't even stay awake to hear the magic reindeer play

Cause I just want you here tonight,
Holdin on to me so tight
What more can I do
Oh baby all I want for Christmas is you, oh baby
Oh our lives are shinin surrounding everywhere
Where the sounds of children's laughter fills the air
And everyone is singin' oh I hear those sleigh bells ringin'
Santa won't you bring me the one I really need
Won't you bring back my baby to me

Oh I don't want a lot for Christmas
This is all I'm askin for
I just want to see my baby standing right outside my door

I just want you for my own
More than you could ever know
Make my wish come true

All I want for Christmas is you, you, its you, you, oh baby
All I want is you [x4]
You, you, you, you, you

Last Christmas I gave you my heart
But the very next day you gave it away.
This year To save me from tears
I'll give it to someone special.

Last Christmas I gave you my heart
But the very next day you gave it away
This year To save me from tears
I'll give it to someone special.

Once bitten and twice shy, I keep my distance,
But you still catch my eye.

Tell me baby, Do you recognize me?
Well, it's been a year It doesn't surprise me
(Happy Christmas)

I wrapped it up and sent it.
With a note saying "I love you" --
I meant it

Now I know what a fool I've been.
But if you kissed me now,
I know you'd fool me again.

Last Christmas I gave you my heart
But the very next day you gave it away
This year To save me from tears
I'll give it to someone special

A crowded room Friends with tired eyes
I'm hiding from you
And your soul of ice
My god I thought you were
Someone to rely on Me?
I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man under cover but you tore me apart
Now I've found a real love you'll never fool me again

Last Christmas I gave you my heart
But the very next day you gave it away.
This year To save me from tears
I'll give it to someone special.

Last Christmas I gave you my heart
But the very next day you gave it away.
This year To save me from tears
I'll give it to someone special.

A face on a lover with a fire in his heart
A man under cover buy you tore him apart
Maybe next year I'll give it to someone
I'll give it to someone special.
