

Wham! - "Last Christmas"

\* Chorus:

Last Christmas

I gave you my heart

But the very next day you gave it away

This year

To save me from tears

I'll give it to someone special

Once bitten and twice shy

I keep my distance

But you still catch my eye

Tell me baby

Do you recognize me?

Well

It's been a year

It doesn't surprise me

I wrapped it up and sent it

With a note saying I love you

I meant it

Now I know what a fool I've been

But if you kissed me now

I know you'd fool me again

\* Chorus

A crowded room

Friends with tired eyes

I'm hiding from you

And your soul of ice

My God I thought you were

Someone to rely on

Me?

I guess I was a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover but you tore me apart

Now I've found a real love you'll never fool me again

\* Chorus x2

A face on a lover with a fire in his heart

A man under cover buy you tore him apart

Maybe next year I'll give it to someone

I'll give it to someone special.

"Happy Christmas" (war is over)

So this is Christmas

And what have you done

Another year over

And a new one just begun

And so this is Christmas

I hope you have fun

The near and the dear one

The old and the young

A very merry Christmas

And a happy New Year

Let's hope it's a good one

Without any fear

And so this is Christmas

For weak and for strong

For rich and the poor ones

The world is so wrong

And so happy Christmas

For black and for white

For yellow and red ones

Let's stop all the fight

A very merry Christmas

And a happy New Year

Let's hope it's a good one

Without any fear

And so this is Christmas

And what have we done

Another year over

And a new one just begun

Ans so this is Christmas

I hope you have fun

The near and the dear one

The old and the young

A very merry Christmas

And a happy New Year

Let's hope it's a good one

Without any fear

War is over over

If you want it

War is over

Now...

Let's sing together!

Let's sing together!

Let's sing together!
