### Episode Descriptions (Samples)

#### ➤ Episode 1: Rebecca's Dream

The story begins as we meet **Rebecca Casey**, a 28-year-old Boston working woman, who dreams of becoming a singer. We also meet her boyfriend **Matt** who **doesn't think much of** [*doesn't like*] her dream, and her 17-year-old brother, **Kevin**, who **doesn't think much about** [*doesn't consider*] the future at all. Rebecca considers applying for music school and pursuing her career full-time, rather than **holding down a factory job** [*continue working*] and doing her music on the side. We also meet real-life immigrants and students who discuss the similarities between Rebecca's experiences and their own.

#### ➤ Episode 2: Differences

Rebecca starts to apply to music schools. Her father, a widowed, disabled firefighter, worries that she is choosing **a chancy career** [*risky, unstable*], and that Kevin is not studying hard enough to graduate. Rebecca's best friend at the factory where she works is **Sandy**, who admires Rebecca, but in her own life, just wants to settle down and raise a family. The episode includes a review and a brief discussion.

#### ➤ Episode 3: A Visit to the Doctor

Rebecca's **father** has a worrisome checkup from his doctor. He has to eat better and exercise, or face a possible heart attack — advice he ignores. At a Memorial Day barbecue, Rebecca talks to Sandy about Sandy's boyfriend **Jack**, who shows up drunk and **belligerent** [*angry, wanting to fight*]. The episode includes a review and a brief discussion.
